Handrail plates

ILIS - Handrail plates

Anodised aluminium

Seeing with your hands

ILIS handrail plates are manufactured from one piece for every shape and diameter of handrail. Fitted with pyramidal lettering and Braille, they conform to the respective DIN standards, Ril 813.0304, and PRM TSI.

We can also determine the necessary texts for you. They are available with up to 10 or 25 standard-sized characters.

Cast resin

Photoluminescent

Standard plate types are available in anodised aluminium, high-contrast plastic, and photoluminescent plastic. Other materials available upon request.
